

Please join nationally trained child care health consultant, Dr. Mae Kyono, for **HOT TOPICS, 2012**

What You Can't see ...

CAN Hurt You

Do you know the 5 ways germs spread?

Join us to:

- Learn how to minimize your exposure to the germs that children bring to school.
- Reduce how often you get sick as well as prevent the spread of germs to other children.
- Know when to send an ill child home.
- Let us help you update your health policies.

We have 3 dates for the Hot Topics seminar from which you can select. The curriculum for each seminar is the same, so select the date, time and location that is most convenient for you.
